

*RISA (Cayman)  
5<sup>th</sup> Charity Golf Day  
Proceeds to go to*

RISA (Cayman) is proud to announce its fifth charity golf tournament to be held on 1 March 2019, in aid of RISA's pledge to raise \$25,000 for the Cayman Islands Red Cross Shelter From the Storm campaign.

For sponsorship opportunities, please email [jsnead@applebyglobal.com](mailto:jsnead@applebyglobal.com) & [TWright@solomonharris.com](mailto:TWright@solomonharris.com) (both), otherwise please save the date and come ready to swing your clubs for a great cause.

The Cayman Islands Red Cross is aiming to raise \$600,000 to renovate, modernize and improve their primary building that operates as a hurricane shelter and temporary shelter space for non-hurricane related emergencies. The main centre is the first shelter to open in the event of crises and provides valuable goods and services to Cayman's most vulnerable residents, such as First Aid training, "Darkness to Light" sexual abuse prevention training and free weekly HIV testing.

RISA has pledged to raise \$25,000 in aid of the Shelter From the Storm campaign over the course of 2 years.

For more details on the campaign, please see <https://redcross.org.ky/more-than-a-shelter/shelter-from-the-storm-sponsorship/>
